September 20, 2004

CONTRACTS

ARMY

O'Gara-Hess & Eisenhardt Armoring Co., Fairfield, Ohio, was awarded on Sept. 15, 2004, a \$100,821,742 modification to a firm-fixed-price contract for 1,774 M1114 up-armored High Mobility Multipurpose Wheeled Vehicles. Work will be performed in Fairfield, Ohio, and is expected to be completed by July 31, 2005. Contract funds will not expire at the end of the current fiscal year. This was a sole source contract initiated on April 10, 2000. The U.S. Army Tank-Automotive and Armaments Command, Warren, Mich., is the contracting activity (DAAE07-00-C-S019).

Turner Construction Co., Arlington, Va., was awarded on Sept. 15, 2004, a \$76,695,120 firm-fixed-price contract for expansion of the National Defense University. Work will be performed at Fort McNair, Washington, D.C., and is expected to be completed by March 1, 2007. Contract funds will not expire at the end of the current fiscal year. There were four bids solicited on May 26, 2004, and four bids were received. The U.S. Army Corps of Engineers, Baltimore, Md., is the contracting activity (W912DR-04-C-0049).

Waterson/Davis (Joint Venture), Anchorage, Alaska, was awarded on Sept. 14, 2004, a delivery order amount of \$25,173,000 as part of a \$108,162,327 firm-fixed-price contract for construction of a barracks complex. Work will be performed at Fort Richardson, Alaska, and is expected to be completed by Dec. 30, 2006. Contract funds will not expire at the end of the current fiscal year. There were four bids solicited on July 6, 2004, and two bids were received. The U.S. Army Engineer District, Elmendorf, Alaska, is the contracting activity (DACA85-02-D-0011).

Honeywell International Inc., Tempe, Ariz., was awarded on Sept. 14, 2004, a delivery order amount of \$21,500,000 as part of a \$47,800,000 firm-fixed-price contract for commercial maintenance and overhaul of the T55-GA-714A engine and its components in support of the CH-47D Chinook helicopter. Work will be performed in Greer, S.C., and is expected to be completed by Sept. 30, 2009. Contract funds will not expire at the end of the current fiscal year. This was a sole source contract initiated on June 11, 2004. The U.S. Army Aviation and Missile Command, Redstone Arsenal, Ala., is the contracting activity (W58RGZ-04-D-0215).

Simula Inc., Phoenix, Ariz., was awarded on Sept. 17, 2004, a \$19,997,779 modification to a firm-fixed-price contract for crew protection kits for 630 heavy expanded mobility tactical, 234 palletized load system, and 500 heavy equipment transporter trucks. Work will be performed in Phoenix, Ariz., and is expected to be completed by Dec. 31, 2004. Contract funds will not expire at the end of the current fiscal year. This was a sole source contract initiated on March 23, 2004. The

U.S. Army Tank-Automotive and Armaments Command, Warren, Mich., is the contracting activity (W56HZV-04-C-0259).

Speegle Construction Inc., Niceville, Fla., was awarded on Sept. 14, 2004, a \$9,343,700 firm-fixed-price contract for design and construction of a facility to house the 1st Air Force Staff. Work will be performed at Tyndall Air Force Base, Fla., and is expected to be completed by Feb. 20, 2006. Contract funds will not expire at the end of the current fiscal year. There were 229 bids solicited on Feb. 12, 2004, and four bids were received. The U.S. Army Corps of Engineers, Mobile, Ala., is the contracting activity (W91278-04-C-0052).

CH2M Hill Constructors Inc., Atlanta, Ga., was awarded on Sept. 17, 2004, a delivery order amount of \$4,617,793 as part of a \$250,000,000 firm-fixed-price contract for munitions response and other munitions related services. Work will be performed in Denver, Colo., and is expected to be completed by Sept. 16, 2009. Contract funds will not expire at the end of the current fiscal year. There were 39 bids solicited on Feb. 13, 2004, and seven bids were received. The U.S. Army Engineering and Support Center, Huntsville, Ala., is the contracting activity (W912DY-04-D-0021).

Defense Group Inc.*, Alexandria, Va., was awarded on Sept. 17, 2004, a \$3,287,829 increment as part of a \$5,484,125 cost-plus-fixed-fee contract for engineering analysis and support services for the Joint Service Installation Pilot Project. Work will be performed in Alexandria, Va., and is expected to be completed by April 14, 2006. Contract funds will not expire at the end of the current fiscal year. This was a sole source contract initiated on May 6, 2004. The Defense Threat Reduction Agency, Fort Belvoir, Va., is the contracting activity (HDTRA1-04-C-0025).

Volvo Construction Equipment N.A. Inc., Asheville, N.C., was awarded on Sept. 15, 2004, a delivery order amount of \$653,880 as part of a \$6,837,769 firm-fixed-price contract for 54 135 horsepower graders. Work will be performed in Ontario, Canada, and is expected to be completed by March 13, 2008. Contract funds will not expire at the end of the current fiscal year. There were an unknown number of bids solicited via the World Wide Web on June 25, 2004, and four bids were received. The U.S. Army Tank-Automotive and Armaments Command, Warren, Mich., is the contracting activity (W56HZV-04-D-B125).

Pacific Scientific EKD, Carpenteria, Calif., awarded on Sept. 17, 2004, a delivery order amount of \$415,833 as part of a \$9,134,166 firm-fixed-price contract for a 400 amp generator for the Bradley vehicle. Work will be performed in Carpenteria, Calif., and is expected to be completed by June 30, 2005. Contract funds will not expire at the end of the current fiscal year. This was a sole source contract initiated on March 4, 2004. The U.S. Army Tank-Automotive and Armaments Command, Warren, Mich., is the contracting activity (W56HZV-04-D-0281).

Modern Technologies Corp., Dayton, Ohio, was awarded on Sept. 17, 2004, a delivery order amount of the \$352,312 as part of a \$27,294,890 firm-fixed-price contract for maintenance and repair services on vehicles and equipment. There were 225 bids solicited on Feb. 26, 2004, and 20 bids were received. The U.S. Army Corps of Engineers, Norfolk, Va., is the contracting activity (W91236-04-D-0084).

Boateng and Associates Inc.*, Mercer Island, Wash., was awarded on Sept. 15, 2004, a delivery order amount of \$60,000 as part of a \$15,000,000 firm-fixed-price contract for various environmental programs. Performance location will be determined with each delivery order, and is expected to be completed by Sept. 14, 2009. Contract funds will not expire at the end of the current fiscal year. There were 225 bids solicited on Feb. 26, 2004, and 20 bids were received. The U.S. Army Corps of Engineers, Norfolk, Va., is the contracting activity (W91236-04-D-0085).

ICI L.L.C.*, Dumfries, Va., was awarded on Sept. 15, 2004, a delivery order amount of \$60,000 as part of a \$15,000,000 firm-fixed-price contract for various environmental programs. Performance location will be determined with each delivery order, and is expected to be completed by Sept. 14, 2009. Contract funds will not expire at the end of the current fiscal year. There were 225 bids solicited on Feb. 26, 2004, and 20 bids were received. The U.S. Army Corps of Engineers, Norfolk, Va., is the contracting activity (W91236-04-D-0086).

NAVY

L-3 Communications Vertex Aerospace LLC, Madison, Miss., is being awarded a firm-fixed price, cost-reimbursable indefinite delivery requirements contract with an estimated value of \$46,991,086 to provide contractor logistics support services for the T-2, T-39, and H-3 aircraft. Work will be performed in Pensacola, Fla. (60 percent) and Corpus Christi, Texas (40 percent), and is expected to be completed in November 2009. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured via an electronic request for proposals; eight firms were solicited and three offers were received. The Naval Air Systems Command, Patuxent River, Md. is the contracting activity (N00019-04-D-0131).

SAGE Systems Technologies, LLC,* Manassas, Va., is being awarded an estimated \$26,705,753 indefinite-delivery/indefinite-quantity, cost-plus-fixed-fee contract for technical services, system engineering, data processing and analysis of Command, Control, Communications, Computers, Intelligence, Surveillance, Reconnaissance (C4ISR) and Information Operations (IO) related technologies. Work will be performed in San Diego, Calif. and at other sites to be determined under individual task orders, and is expected to be completed September 2009. Contract funds will not expire at the end of the current fiscal year. This is a sole source award under requirements specified in the Small Business Administration 8(a) program, recognizing an Alaskan native corporation. Space

and Naval Warfare Systems Command, San Diego, Calif., is the contracting activity (N66001-04-D-0081).

BAE Systems Technical Services, Fort Walton Beach, Fla., is being awarded a \$5,593,918 modification to a previously award contract (N00604-01-C-A010) for ammunition storage, handling and management services. Work will be performed at Oahu, Hawaii, and work is expected to be completed by September 2005. Contract funds will not expire by the end of the current fiscal year. This contract was competitively procured using FEDBIZOPPS, with two offers received. The Fleet and Industrial Supply Center, Pearl Harbor, Hawaii, is the contracting activity (Mod P00019).

AIR FORCE

Presidential Airways, Melbourne, Fla., is being awarded a \$34,832,969.51 indefinite delivery/indefinite quantity contract to provide for fixed-wing short take-off and landing aircraft to provide airlift in and around the Afghanistan, Uzbekistan, and Pakistan area of responsibility. The Air Force can issue delivery orders totaling up to the maximum amount indicated above, although actual requirements may necessitate less than the amount above. At this time, \$5,000,000 of the funds has been obligated. Solicitation began July 2004 and negotiations were completed September 2004. The Headquarters Air Mobility Command, Scott Air Force Base, Ill., is the contracting activity (FA4428-04-D-0036).

CellExchange Federal, Framington, Mass., is being awarded a \$29,000,000 firm fixed price contract. The virtual Personnel Center (vPC) is conceived to be an update and extension of the currently operating virtual Military Personnel Flight (vMPF) system, which allows all Air Force personnel to accomplish selected personnel actions on a self-service basis worldwide. The program includes the development of self-service human resource capabilities for use by the Air Force personnel worldwide via the Air Force portal, the systems engineering support for human resource enterprise architecture definition, and the build-out of the vPC functionally. At this time, \$276,212 of the funds has been obligated. This work will be complete by September 2009. Solicitation began July 2004 and negotiations were completed September 2004. The Headquarters Electronic Systems Center, Randolph Air Force Base, Texas, is the contracting activity (FA8734-04-D-0002).

Consolidated Paving and Concrete, Ogden, Utah, is being awarded a \$12,700,000 indefinite delivery/indefinite quantity contract to provide for repairs and alteration of pavement, including parking lots, streets, sidewalks, roads, ramps, curb and gutters. This also includes airfields, if required. The locations of performances are Hill Air Force Base, Utah; Little Mountain, Utah and at Utah Test and Training Range. The Air Force can issue delivery orders totaling up to the maximum amount indicated above, although actual requirements may necessitate less than the amount above. No funds have been obligated. This work will be complete by September 2009. Solicitation began August 2004 and negotiations were completed September 2004. The Headquarters Ogden Air Logistics Center, Hill Air Force Base, Utah, is the contracting activity (FA8201-04-D-0027).

McDonnell Douglas Corp., St. Louis, Mo., is being awarded a \$10,267,504 firm fixed price contract to provide for test sets supporting F-15 aircraft. 8 each model 197C armament stores management, 10 each model 198B armament stores management with programmable armament control Sets, and 12 each model 199B circuit preload test sets. Total funds have been obligated. This work will be complete by December 2006. Solicitation began February 2004 and negotiations were completed August 2004. The Headquarters Warner Robins Air Logistics Center, Robins Air Force Base, Ga., is the contracting activity (FA8517-04-C-0008).
